REF : Minutes of Equipment Board Meeting No. 1-75, 16 January 1975

1. On 16 January 1975 the OC Equipment Board voted unanimously to place the PRS-4 on the OC Standard Communications Equipment List (SCEL).

2. In view of the above, please initiate action to place the PRS-4 on the SCEL. It should be noted that although the Equipment Board voted to place this item on the SCEL, it did not do so for the purpose of "sole source" procurement. This should be appropriately noted when the addition to the SCEL is made.

3. A copy of the minutes of the Board Meeting is attached for your information.
